

English universities programs

Computer Engineering - University of Pisa

☐☐ Required Documents for Admission (Foreign Applicants)

When applying **online** (often via the **applymscenglish.unipi.it** portal for international applicants), you must include the following **in PDF format**:

1. **Declaration of English Knowledge**
 - Specify how long you studied English
 - And whether you have a certificate (IELTS, TOEFL, etc.)
 - You can also upload a certificate if available
 2. **Degree Certificate (Bachelor's diploma)**
 - Must show that your degree is at least **three years** in duration
 3. **Academic Transcripts**
 - Full list of courses and grades
 - Ideally **translated to English or Italian**
 4. **Copy of Your Valid Passport**
 - Used to identify you in the application
 5. **Curriculum Vitae et Studiorum (CV)**
 - Your academic background and any relevant experience
-

☐ Optional (But Recommended) Documents

These can **help strengthen your application** (and may be required depending on the call):

- **Letters of reference** / recommendation
- **Other certificates** (e.g., language tests, professional certificates)
- **Thesis or samples of academic work** (if requested)
- **List of publications or awards**

Universities sometimes ask you to **provide references' contact info** so they can submit recommendations directly.

☐ Application Portal & Process Notes

- You upload these documents **during your online application** through the official portal.
 - **Missing documents** may make your application **invalid** or rejected.
 - Applications usually have a **strict deadline** and documents cannot be added after submission.
 - EU and non-EU citizens follow slightly different enrollment portals but the **document list is essentially the same**.
-

☐ Language Requirements

- Although a **B2 English certificate** is recommended, what matters is the **declaration of English ability** and potentially interview verification — but if you include a certificate that's better.
-
